

Orange County students will lead the nation in college and career readiness and success.

## PROGRAM SPECIALIST- PROJECT GLAD®

OCDE is looking for two dynamic professionals to serve as Program Specialist for the OCDE Project GLAD® Training Center. One of these positions will have an elementary focus and the other will focus on secondary. Key responsibilities of this role include:

- Plan, organize, and assist in the implementation and growth of Orange County Department of Education Project GLAD® (Guided Language Acquisition Design) National Training Center (NTC) model's vision, mission, and objectives.
- Organize, schedule, develop, and implement a variety of professional learning opportunities, trainings, networks, and meetings to meet the needs of our nation-wide OCDE Project GLAD® NTC audiences.
- Provide information, consultation, and technical assistance to National, State, County, and local OCDE Project GLAD® NTC teams.
- Mentor, assess, certify, and evaluate OCDE Project GLAD® NTC Tier II Trainers in-Training, OCDE Project GLAD® NTC Tier III Agency Trainers, and OCDE Project GLAD® NTC Tier IV Consultants.

The Orange County Department of Education is a public education organization based on fundamental human values of honesty, commitment, responsibility, respect, integrity and professional ethics.

OCDE's mission is to ensure that all students are equipped with the competencies they need to thrive in the 21<sup>st</sup> century. Our vision is that Orange County students will lead the nation in college and career readiness and success.

Our priority is service to students, districts, and the community who look to us for support and educational leadership. We hold each other and ourselves accountable for the highest level of service, performance, efficiency, resources management and professionalism.

**We believe that all students can learn.**

We are looking for strong leaders with knowledge of:

- OCDE Project GLAD® National Training Center (NTC) model.
- Recent developments, current research, and evidence based practices related to the OCDE Project GLAD® NTC model.
- English Learners, Long Term English Learners, Language Learners, Language Acquisition, Language Development, ELA/ELD Standards and Frameworks, and Integrated and designated ELD.
- Common Core State Standards, Next Generation Science Standards, California English Language Development Test (CELDT), English Language Proficiency Assessments for California (ELPAC), World Class Instructional Design and Assessment (WIDA), and Reclassification criteria.

The talent that we are seeking would likely be developed by at least three years of teaching experience, two years of experience in the implementation of the OCDE Project GLAD® NTC model, and two years of experience in supporting language development and presenting professional learning. **Possession of a valid CA State Teaching Credential and Certified OCDE Project GLAD® National Training Center Trainer required.**
