Language: English

Topic/unit/core selection: community building, beginning of the year

Chant Title and Author: Classroom Bugaloo by Sarah Demosthenus and Suzanne Balbo Towle

I'm a smart kid and I'm here to say,
I get to school on time each day.
Hang up my backpack, I'm here to stay,
Then I declare, "I'm ready to learn, let's rock this day!"

Walking in, saying hello, too
Doing the Classroom Bugaloo!

When the first bell rings,
I come straight to circle, criss-cross applesauce!
"Make good decisions," my teachers say,
So I sit right down and I'm ready to listen.

Announcements, Pledge of Allegiance, too
Doing the Classroom Bugaloo!

I'm ready to learn so fill my brain,
With math, and facts, and reading books,
Science, spelling, and social studies- WOO HOO!
I've got a lot of learning to do.

Writing stories, working hard, too
Doing the Classroom Bugaloo!

I've made good choices and I'm feeling proud,
Boy, working hard feels good inside.
I tried my best and I'm happy to say,
"I was a star at school today!"

Good decisions, solving problems, and respect, too
Doing the Classroom Bugaloo!
