Environmentalists Here, There
by: Marta Romero

Environmentalists here, environmentalists there,
Environmentalists, environmentalists everywhere.

Curious environmentalists, searching unceasingly,
Concerned environmentalists, working proactively,
Determined environmentalists, protesting passionately,
And unyielding environmentalists, fighting continuously.

Environmentalists in different habitats,
Environmentalists behind the scenes,
Environmentalists on the streets,
And environmentalists all around the world.

Environmentalists here, environmentalists there,
Environmentalists, environmentalists everywhere.
Environmentalists! Environmentalists!
Environmentalists!
