Chant Title and Author: Home Grown Butterflies by Kim Marquez

Flutter by, butterfly,
Beauty flying in the sky.

Consequences of cutting trees,
Harming all the birds and bees.

Nature should not disappear,
Renewal on this giant sphere.

Flutter by, butterfly,
Beauty flying in the sky.

Protecting you is our plan,
We planted flowers on the land.

Garden enclosure, we captured you,
Protecting you is what we do.

Flutter by, butterfly,
Beauty flying in the sky.

Caterpillar, pupae, all raised by hand,
We supply butterflies to save our land.

Make a little money to help out our school,
While protecting our resources, now don't you think we're cool?

Flutter by, butterfly,
Beauty flying in the sky.
