Survivors

By: S. Wargaski

Survivors here, survivors there,  
Survivors, survivors everywhere!

Determined survivors healing slowly,  
Grateful survivors helping generously,  
Lucky survivors remembering lovingly, and  
Worried survivors waiting patiently.

Survivors in Louisiana,  
Survivors after World War II,  
Survivors from Vietnam, and  
Survivors in Woodstock.

Survivors here, survivors there,  
Survivors, survivors everywhere!  
Survivors! Survivors! Survivors!
