Chant Title and Author: Water Conservation Bugaloo by Lisa Meyer-Jacks

I'm a conservationist and here to say
We can save water every day
A precious resource is what we've got
With your help we can save a lot

Students, parents, teachers too
Doing the water conservation bugaloo

When you brush your teeth turn the faucet off
The extra second's worth the trade off
Don't use the toilet as a trash can
You can come up with a much better plan

Students, parents, teachers too
Doing the water conservation bugaloo

Full loads of laundry and dishes do
Your future children will thank you
Turn off the hose when you wash your car
Use a bucket and be a water saving superstar

Students, parents, teachers too
Doing the water conservation bugaloo
