Multiplication Properties Chant
(To the tune of "The Addams Family")

We're learning multiplication,
It's fun and really cool,
Using strategies, oh yes,
Let's learn them at our school.

Commutative, it's true,
Switch the numbers, one or two,
Order the factors in any way,
The answer will stay the same - okay!

Commutative (clap, clap)
Commutative (clap, clap)
Commutative, Commutative, Commutative (clap, clap)

Associative, join the fun,
Group the numbers, one by one,
Parentheses make it clear,
Multiply without a fear!

Associative (clap, clap)
Associative (clap, clap)
Associative, Associative, Associative (clap, clap)

Distributive, spread the news,
Break it down, you can't lose,
A number times a sum, you see,
Distribute it, that's the key!

Distributive (clap, clap)
Distributive (clap, clap)
Distributive, Distributive, Distributive (clap, clap)

With these properties in hand,
We can solve and understand,
Multiplication's a breeze,
Learning strategies with ease!

**Additional instructions/melody/tempo
etc.**
