## Copy and Paste Chant Here

Problem-solving is so fun,  
Take these steps until you're done.  
Read the problem fully through,  
Process what it's asking you!

Sound off... Circle the numbers.  
Sound off... Box the question.  
Sound off... Underline keywords.

Problem-solving is so fun,  
Take these steps until you're done.  
Drawing helps us figure out  
What the problem is all about.

Sound off - Draw a model.  
Sound off - Label it.  
Sound off - Solve and check.

Problem solving is so fun,  
Take these steps until you're done.  
Thinking needs to be communicated.  
It doesn't have to be complicated.

Sound off - Write an equation.  
Sound off - Write a statement.

Problem-solving is so fun,  
Take these steps until you're done.  
Some problems have multiple steps.  
Make sure you carefully check.

Sound off... Read, draw, write.  
Sound off... Read, draw, write.  
Problem-solving is so FUN!
