Five coyote pups went out to play
Over the desert hills and far away
Mother coyote called bark, bark, bark, bark
But only four coyote pups came running back.

(continue with four, three, two)

One coyote pup went out to play
Over the desert hills and far away
Mother coyote called bark, bark, bark, bark
But no coyote pups came running back.

Sad mother coyote went out one day
Over the desert hills and far away
Mother coyote called bark, bark, bark, bark
And all the coyote pups came running back.
