**Where are New Mexico Animals?
(Tune: where is thumbkin)**

Where is black bear? Where is black bear?
Here it is. Here it is
With his claws, with his claws
Walk away, walk away

Where is roadrunner, where is roadrunner?
Here it is, here it is.
With his long tail, with his long tail
Run away, run away

Where is rattlesnake, where is rattlesnake
Here it is. Here it is.
With his rattle, with his rattle
Slither away, slither away

Where is the Mexican wolf, Mexican Wolf?
Here it is. Here it is.
With his bushy tail, with his bushy tail.
Pounce away, Pounce away.

¿Dónde están los animales de Nuevo México?(Pulgarcito)

Oso negro, Oso negro
¿Dónde estás? ¿Dónde estás?
Aquí estoy. Aquí estoy
Con sus garras, con sus garras
Camina ya, Camina ya

Correcaminos, correcaminos
¿Dónde estás? dónde estás?
Aquí estoy, aquí estoy.
Con su cola larga, con su cola larga
Corre ya! Corre ya!

Serpiente de cascabel, serpiente de cascabel
¿Dónde estás?¿Dónde estás?
Aquí estoy. Aquí estoy.
Con su sonajero, con su sonajero
Desliza se, desliza ya.
