Meteorologists Here, Meteorologists There
By Ryan Jenkins

Meteorologists here, meteorologists there,
Meteorologists, meteorologists everywhere!

Careful meteorologists predicting probabilistically,
Curious meteorologists researching thoroughly,
Meticulous meteorologists calculating accurately,
And professional meteorologists reporting clearly.

Meteorologists with weather data,
Meteorologists on the news,
Meteorologists in Albuquerque,
And meteorologists at Washington Middle School!

Meteorologists here, meteorologists there,
Meteorologists everywhere!
Meteorologists! Meteorologists! Meteorologists!

Los meteorólogos aquí, los meteorólogos allá
Por Ryan Jenkins

Los meteorólogos aquí, los meteorólogos allá,
¡Los meteorólogos por doquiera!

Los meteorólogos cuidadosos predicen probabilísticamente,
Los meteorólogos inquisitivos investigan rigurosamente,
Los meteorólogos meticulosos calculan exactamente,
Y los meteorólogos profesionales reportan claramente.

Los meteorólogos con datos del tiempo,
Los meteorólogos en las noticias,
Los meteorólogos por todo el mundo,
¡Y los meteorólogos de Albuquerque!

Meteorólogos aquí, meteorólogos allá,
¡Meteorólogos por doquiera!
¡Meteorólogos! ¡Meteorólogos! ¡Meteorólogos!

Additional instructions/melody/tempo etc.

I included an English and an Spanish version.

The prepositional phrases are not identical between the two languages.
