Copy and Paste Chant Here	<p>Are you or-ga-nized? We're or-ga-nized!</p> <p>Are you or-ga-nized? We're or-ga-nized!</p> <p>Then tell it from the smallest. A-toms.</p> <p>What comes next? Molecules.</p> <p>What comes next? Protoplasm.</p> <p>What comes next? Cells. (for the chant say it like it's 2 syllables: ce-ells)</p> <p>What comes next? Tissues.</p> <p>What comes next? Organisms.</p> <p>What comes next? Populations.</p> <p>What comes next? Communities.</p> <p>What comes next? Ecosystems.</p> <p>What comes next? Biomes.</p> <p>What comes next? Biosphere.</p> <p>What comes next? Planet Earth.</p> <p>What comes next? Solar system.</p> <p>What comes next? Galaxies.</p> <p>What comes next? Universe!</p> <p>Are you or-ga-nized? We're or-ga-nized!</p> <p>Are you or-ga-nized? We're or-ga-nized!</p> <p>Then tell it from the biggest. Universe</p> <p>(read backwards all the way to the top)</p> <p>O-R-G-A-N-I-Z-E-D, yeah, yeah!</p>
