Fractions (Marine Cadence)

I don't know what you've been told,
Learning fractions is our goal.
Numerators up above,
Denominators down below

Sound-off, Numerators
Sound-off, Denominators
Sound-off, two-thirds
Fractions!

Unit Fractions have one on top
Unit Fractions, the building blocks
It's just one part of a whole□□□□□
That's important for us to know

Sound-off, Numerators
Sound-off, Denominators
Sound-off, one-half
Fractions!

Mixed Numbers are more than one
Whole number with a fraction
Improper fractions are bigger above
Greater than one, that's what I love

Sound-off, Numerators
Sound-off, Denominators
Sound-off, Seven/fifths
Fractions!

Created by L. Burns/L. Chacon

Additional instructions/melody/tempo etc.

Uses military cadence but may need some adjustment to pronunciation to fit the rhythm.
