School/District	Albuquerque Public Schools
Email	ryan.palmer@aps.edu
Grade Level	Secondary
Content Area	Science
Topic/unit/core selection	Measurement and Data
Chant Title and Author	Measurement Hullabaloo

Copy and Paste Chant Here

I'm a professional athlete and I'm here to say,
"I use measurement and data every day."
Sometimes I track my heart rate or measure my power,
Sometimes I refine technique and identify inefficiencies.

Yard sticks, speedometers, stop watches too,
Doing the measurement hullabaloo!

I'm a mechanic and I'm here to say,
"I use measurement and data every day."
Sometimes I ensure parts fit or diagnose issues,
Sometimes I assess structural damage for data-driven repairs.

Calipers, micrometers, gauges too,
Doing the measurement hullabaloo!

I'm a paramedic and I'm here to say,
"I use measurement and data every day."
Sometimes I quickly measure vital signs to diagnose
life-threatening conditions,
Sometimes I collect over 400 data points to inform hospital staff.

SpO2, ePCR, blood pressure too,
Doing the measurement hullabaloo!
